Dear Brian and Mary Ann,

We sincerely thank you for sponsoring the table for students from **Bethany Lutheran College**. The opportunity you provided for us surpassed our expectations! We were so impressed by the setting, the food, the speakers, and especially the efforts and mission of **TakeCharge**. We, as students and future contributors to culture, understand and are convinced of the importance of fatherhood and the family as ordained by God (Gen. 2:18-25; Matt. 19:1-6; Eph. 5:22-23; 6:1-4, etc.).

We are also grateful to be students at Bethany Lutheran College that stands firmly in the same conviction – something that is rare these days in higher education.

Again, thank you for your generosity and investment in our generation.

Respectfully and with gratitude,

Emi Becker
